Miss Ida Mae Beaulac of Hardwick was a guest of friends here Thursday, returning home Friday morning.

Supt. L. D. Smith of Wells River came Friday evening for a visit with his parents, Mr. and Mrs. A. J. Smith.

Max Newcity of Lowell, Mass., was a guest of relatives in town several days last week, returning home Saturday.

Mrs. C. R. Kent of Burlington has been visiting her daughter and husband, Mr. and Mrs. H. H. Dodge, the past week.

James Greene and family from Waterbury and Mrs. Anna Durkee of St. Albans were guests over Sunday at the home of Mr. and Mrs. George Norton on Richmond street.

The condition of Lewis Delano, who went to the Mary Fletcher Hospital last Wednesday, where he underwent an operation, is improving satisfactorily. He returned Monday.

Roy Macomber went Friday to Waterville, Me., where he has a position in the store of the Grand Union Tea Company, associated with Alton Little, a former Morrisville resident.

Tait Bros' creamery, in Fairhaven one of the most modern plants in the state, was totally destroyed by fire last Saturday morning, with a loss of several thousand dollars; well covered by insurance.

J. J. Jackson, formerly of Morrisville, is the manager and the owners are a Springfield, Mass., firm.

Dr. Victor Genge of Newport, and his brother, Val Genge, of St. Johnsbury are considering enlisting in the medical corps and were in St. Albans last week in regard to the matter. The young men, who are sons of the late Dr. Genge, a former practitioner at Hyde Park, have many friends in this vicinity.

Ed. Stevens, an employee in the Union Savings Bank, Prof. R. D. Merrill of Bradford and W. D. Hamilton went to Burlington Monday, where they took the examinations for entrance to the officers' training camp at Plattsburg, N. Y. They passed the examinations and await notification of their selection. There are 5000 applications and only about half that number will be chosen.

Mrs. G. A. Barrows has received news of the death of her sister, Mrs. Nellie Stone Carpenter at Ellendale, Dakota, which occurred Thursday, April 26, after an illness of six weeks. She died at the home of her sister, Mrs. May McEacham. She was a daughter of the late Henry Stone of Eden and the widow of E. C. Carpenter at one time in the hotel business in Morrisville.

Perley Bickford, son of Mr. and Mrs. B. D. Bickford, who recently went from Springfield, Mass., to Detroit, Mich., has enlisted from that city in the Canadian Mounted Rifles. He went to Detroit to continue in the employment of an auto manufacturing firm and collected the second day after he began work there. He formerly lived here and was employed for a time in the Morse mill.

Bloomfield A. Palmer was elected treasurer of the St. Johnsbury commercial club at a meeting held last Wednesday evening. Palmer Brothers, Bloom and Cecil, former Morrisville young men are making good in their business venture in St. Johnsbury and as might be expected are taking an active interest in the affairs of the town. They have one of the most modern and best equipped dry cleaning plants in Vermont.

An Important Meeting

There will be an important meeting of the milk producers of Lamoille county at Morrisville, Saturday, May 12th, at two o'clock. Every milk producer should endeavor to be present if possible, because there will be of personal interest to you. If you are not a member of the New England Milk Producers' Association, you will be welcome just the same.
M. D. YOUNG, Secretary.

Plow and Plant Plans

Last Saturday afternoon a meeting of the Morrisville District of the Committee of Safety was held at Morrisville at the office of F. G. Fleetwood. The district comprises the towns of Morrisville, Stowe, Wolcott, Hyde Park, Centerville and Elmore. The committee is made up of Judge Powers, R. W. Hulburd, J. M. Kelley, M. O. Lovejoy and F. M. Small and was organized by electing R. W. Hulburd chairman and F. M. Small, Secretary and Treasurer.

The committee discussed at length the question of increased crop production and ways and means of procuring the same. It was emphasized that on account of the eminent danger of a great shortage in grain that everybody should plant oats enough for their own horses and cows, to take the place of the brewers grain, which they usually buy.

The general committee is to operate in every way possible with the other committees and suggest that anyone not having seeds confer with C. D. Howe. Also anyone who happens to have more of some kinds than they need should remember that it may be just the kind their neighbor is trying to find. Co-operate is the word.

The sluggard who will not plow by the reason of the cold, therefore shall be beg in the Harvest and have nothing.—Prov. 20-4.

Oats sown before May 20 are heavier and yield better and are not so liable to rust.

From four o'clock in the morning until breakfast is the schedule time for work in the garden.

W. P. Churchill is ready to contract a part of his wheat crop which he plans to grow this fall. Means are high, but a half bushel will plant an acre in the hill. Some of the up-to-date farmers claim they get better results by sowing in drills and using more seed. The essential thing is that they are planted and about June 1, is the time.

State S. S. Convention

Some of the preliminary arrangements for the State Sunday School Convention to be held here Oct. 17-19, 1917, have already been made. Appointments for General Committee are as follows: General Chairman, Arthur L. Chenev; Secretary, Miss L. Grace Prior; Program, Rev. W. T. Best; Entertainment, Mrs. Edie Smalley; Reception, Miss Lou Slocum; Transportation, Don Sanders; Auditorium, C. D. Howe; Finance, Rev. J. J. Bennett; Dramatic and Music, Mrs. Ila Niles Jackson.

The Convention will open Wednesday evening with a grand rally at the Congregational church, which will be the Convention church; the other churches will be used for departmental work, etc.

Morristown's Volunteer List

Morristown's honor list of young men, who have answered their country's call, is growing daily and when the draft bill becomes operative, the slackers list will be small.

Death of L. M. Mayott

Leonard M. Mayott, one of Morrisville's most highly respected citizens, died at his home on High street Monday morning, after a long period of ill-health. His condition had gradually failed for some time and for the past eleven weeks he had been confined to his bed. Death was due to rheumatism and complications resulting from army troubles.

The funeral was held from the home this afternoon at two o'clock, Rev. Geo. W. Tabor officiating. The services were under the auspices of Mt. Vernon Lodge, P. & A. M., and the bearers were Dr. George L. Bates, E. E. Schutt, W. H. Towne and R. P. Rogers. Interment was in Pleasant View Cemetery in the family lot.

The deceased was born in St. John, P. Q., 72 years ago the 20th of this month, one of thirteen children of Morris and Mary L. Mayott. When the deceased was only six days old the family moved to Montpelier and there his boyhood days were spent. He came here from South Woodbury 31 years ago and until three years ago this spring conducted a successful blacksmith business, when he was obliged to retire on account of ill-health. He enlisted in Co. G 4th Vt. Volunteers in the Civil War and served nearly three years, seeing much active service. He received a bullet wound in his left leg, below the hip, from which he was lame the remainder of his life. He was a member of James M. Warner Post, G. A. R., and was for 42 years a Mason, joining the lodge at Cabot, from which he was transferred to Mt. Vernon Lodge, in Morrisville.

Of the thirteen children in the family, only two, the oldest and youngest, Mrs. Mary Archambault, 82, of Montpelier, now living in Hartford, Conn., and Geo. J. Mayott of Boston, 55, survive.

In 1869 Mr. Mayott was united in marriage to Miss Lucy Drugg, daughter of John and Marquette Drugg of Stowe. To this union was born one daughter, Bessie Mae, who survives him. Mrs. Mayott died about 24 years ago and a year later Mr. Mayott married Mrs. Berilla A. Jennings who lived only a year after the marriage. As a citizen and neighbor Mr. Mayott held a high place in the esteem of a large circle of friends, who learned to respect and admire his many fine traits of character. Unassuming and modest in his tastes and habits, he detested the artificial, but always looked for the best in his fellows. His was a religion of deeds, not words, and a wide circle of friends will long cherish his memory.

Successful Entertainment

The entertainment given by the Graded school at town hall last Friday evening was well attended and highly successful from every standpoint. Everyone from the first primary department to the Grammar school students, did his part especially well, and reflected much credit upon scholars and teachers, as each number showed much careful training.

The entertainment opened with the singing of America and closed with the Star Spangled Banner and the different numbers consisted of drills, solos, a folk dance, etc.

About \$38.00 was realized and the amount will go toward the purchase of a Victrola to be used in the assembly hall of the new graded building.

HYDE PARK

Prof. Simpson and Miss Hazel Fisk are spending a few days at Sheffield.

Miss Carolyn Smith of Hardwick was a recent guest of friends in town.

Dr. Hugh Tyndall and bride have returned to their home in New Jersey.

Miss Grace Scofield of Burlington was a guest of Miss Hazel Fisk recently.

B. H. Porter of Colchester, visited his daughter Laura a part of last week.

Several from here took in "America is Ready" at the Morrisville Bijou last Friday and pronounce it "good, very good."

The indebtedness of the village of Hyde Park is \$50,050.05. Last year it was \$53,661.95. A reduction of \$2,661.90 is not very bad.

Frank and Ernest Stewart, students at St. Michael's college, have passed successful examinations for entrance to the officers' training camp.

C. E. Holbrook of Johnson visited his son, the Station Agent, yesterday. Mr. Holbrook, the father we mean, boasts of never having tasted whiskey.

Hyde Park is doing pretty well, thank you. See has eight college men who have passed successfully examinations for the officers' training camp, with "more to follow."

The Hyde Park Trout Club held an interesting meeting last Thursday evening. Matters pertaining to the streams and ponds in this town were discussed and it was decided to stock the same with several thousand fry.

Miss Margaret Albertson of Bridgton, N. J., arrived in town Monday and is tutoring the students for the senior play, "Stop Thief," to be given at the close of school. Miss Albertson did the same work very successfully here last year, it will be remembered.

Farewell Reception

Prof. Simpson, having enlisted, resigned as principal of the L. C. A. The place has been filled by appointing Prof. Wood thereto, and he assumed the duties yesterday. The classes which Mr. Simpson has had under his direction will be taught by Geo. Davis of the U. V. M. A farewell reception was given Mr. Simpson at Academy Hall last evening by the students. Remarks were made by Supt. H. P. Crosby and Waldo Buckham, which were feelingly replied to by Mr. Simpson. The occasion was a very interesting one and while there is great reluctance at Mr. Simpson's departure, he takes with him the good will of students and citizens generally.

Red Cross Supper

There was a large attendance at the Red Cross supper given in the Congl church last Friday evening. The supper was nicely prepared and served by Red Cross ladies arrayed in becoming style. After the feast "post prandial" exercises were held, at which remarks were made by Lieut. Gov. Hulburd, Prof. Crosby, Wood and Simpson and Dr. Hugh Tyndall. The remarks were along the line of the war and the present conditions of the country. All were heartily applauded. Prof. Wood read several notes from his agricultural scholars, who stated that they were going to do in the way of gardening for the war. The event closed with the singing of "America." About \$20 was the net cash result of the event.
